## LETTER FROM THE CHURCH COUNCIL

Christ has come! Christ is risen! Christ will come again! During the advent season we consider the paradox of expectantly waiting for the One who has already come, waiting for the One who already is here among us, of being between memory and hope.

The first Sunday in Advent is also the beginning of the church year, a turning of the page, a time to reflect on the past and consider what is to come.

The covid-19 pandemic has changed what we have long considered to be 'normal'. It is the first time in most people's living memory that one thing has affected everyone all over the world at the same time, to one degree or other. This pandemic has shown us just how much we are all globally interconnected. Sadly, it has been through illness and death, unemployment and economic hardship, isolation and distancing from loved ones.

And yet, living in the hope and love of the risen Christ, the One who is with us now, and is to come, we can rejoice that we so globally interconnected; that we have a way of reflecting Christ in our lives that goes far further than we ever thought possible. We have the opportunity to change what is 'normal'. We can become more loving, more Christ-like people, in a more loving, Christ-like community and in a loving, more Christ-like world.

My prayer for us at ACC is that we take the time to reflect within ourselves individually and as a community, to strive for new ways to 'be with' a world in pain, to wrap ourselves in the power of the Holy Spirit, to trust in God, allow ourselves to recognize how much we need Him, and do as Jesus commands us, to love God and to love the world around us.

- Susan Simonson

## Message from the Council Chair

While we know we are blessed here in Tanzania with regard to covid-19, we do know that it is on-going and increasing in other parts of the world. As an international community which welcomes visitors and which seeks to love and protect those around us, we are continuing to follow health protection guidelines for the safety of all.

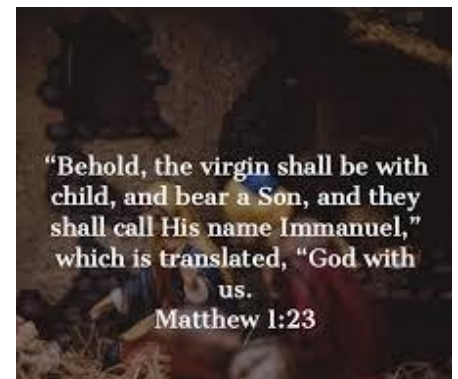

We ask that you continue to:

- Wash your hands before entering
- Wear a mask at all times, **especially** when singing (please don't take off your mask to sing)
- Keep a degree of distance

The number of chairs inside the sanctuary will be increased a little bit in December; though we are keeping a gap between the chairs as a reminder of what is happening internationally. We are also starting to do Holy Communion again, but in ways that does not increase the length of time inside the building.

We work and pray together as one community, sharing the love of Christ to all.

- Susan Simonson

## The Colours of Christmas

*The colours of Christmas are bright and they're true they tell of God's great love for me and for you.*

*Blue is the sky where the angels appeared as they sang "Peace on earth", to the shepherds who feared.*

*Silver is for the bright Christmas star Which guided the wise men from countries afar.*

*Gold tells of their gifts for the Baby that day who they found in a manger, asleep on the hay.*

*Purple for suffering and death on a hill.*

*Red is the blood, which Jesus did spill.*

*Green shows that Jesus arose from the dead And saved us and freed us, just as he said.*

**The Advent season is here!** You might be asking, what about our Christmas traditions? Will they still happen? The answer is mostly yes! But with a few slight alterations.

Finally! We will celebrate Holy Communion once more on Sunday, November 29, the first Sunday of Advent. At the end of our service we will all process outdoors to receive the elements and then form a big square around the courtyard for an outdoor blessing while maintaining our physical distance.

We will celebrate a baptism on Sunday, December 13 – again the baptism rite will take place outdoors so that our indoor service is not extended longer than an hour. Again, we will form a big circle outdoors to join in welcoming a new child to the family of faith.

Dr. Wendy Willmore has written a special [Advent Liturgy for us at this link](#). You can download it and print it for yourself if you wish to worship from home, or carry it with you to church. We will not have printed copies this year, but the prayers will be projected on the screen each week.

**CAROLS BY CANDLELIGHT** is scheduled for Wednesday, December 23<sup>rd</sup> come at 6:30 pm for a 7 pm start

This year, we will celebrate outdoors in the ACC courtyard, to reduce any risk to our International Community. We will pray for a clear night, and we might also enjoy the evening breezes more than being overly warm indoors! Please bring a bottle of water and your own mosquito repellent.

Peace makers for Albinisms and Community (PAC) will be the recipients of this year's offerings from our Carols by Candlelight service. Please see the letter below for more information on how your previous donations to PAC will be used.

## News from the Christian Education committee

**Sunday School offerings.** Giving an offering is always part of the Sunday School activities and program. The children give with generosity, and each year an organisation working children is the recipient of those offerings. We are thankful that we could give, thanks to the Sunday School children, just over 1,500,000/= to Peacemakers for Albinism and Community (PAC). Sr. Martha runs this program and gives appreciation in her message below.

### *Greetings from Peacemakers For Albinisms and Community-PAC,*

*We thank you for your donation amounting to 1,501,000/= which will enable our children to have a safe transportation home, for December 2020 holiday and stay with their family members or guardians.*

*Most of our children are from single parent families (single Mother), some of the parents have skin cancer.*

*We highly appreciate your donation that will facilitate the transportation to our children as some had to walk for almost 3 (three ) days along Ngorongoro National Park back to their home place and sometimes we are to stay with them due to shortage of funds. Through this Transportation Facilitation Fund, we assure you that all of our children will travel to their home places and have an enjoyable Christmas Holiday with their family members. May God bless you all for your love and kindness to our kids; this is a great job you have done. 1 Cor 15:58*

*Regards,*

*Sr Martha Edmund Mganga,  
Founder & Director*

## Sunday School

Christian Education committee is planning how to re-start the Sunday School program in the new year. **While there are many enthusiastic children who want to be in this program, we need to find the teachers!** The SS team hopes to run a teachers' seminar in January 2021, where those new (or well experienced) to teaching can sign up and learn about this program. More details will be sent out as available.

**DONATIONS for Peacemakers for Albinism and Community – long sleeved shirts and blouses, long pants, wide brimmed hats, sunglasses and sunscreen are needed!**

This year we will again be receiving clothing and other items which will be shared with the PAC (Peacemakers for Albinism and Community) organization. All items can be brought to the church office through the month of December and will be given to Sr. Martha.
